

Would You Love Me Anyway

Katrina Elam

If I'm just a girl would you love me?
Just me against the world, would you love me?
If I can't be like everybody else
So I walk away from a dream I never even wanted for myself
Would you love me anyway?
If I'm not strong enough would you love me?
If I need you too much, would you love me?
If I run to you when I wanna cry, when I'm gonna break
And you can't understand why, would you love me anyway?
Would you love me anyway?
Baby, I need to hear you say that you know me

You really know me and you love me anyway
If I want to fly would you love me?
Hold me while I try because you love me
If I wish to live among the stars where I can touch God's face
Would you let me go that far and love me anyway?
Would you love me anyway?
Will you love me anyway?
Baby, I need to hear you say that you know me
You really know me and you love me anyway, anyway, anyway
Baby, I need to hear you say that you love me anyway
