Slow Burning Fire

Tammy Wynette

My shoulder still burns where you touched me last night
You hugged me and walked out the door
We've been pretending that we're only friends
But tonight we can feel something moreJust being around you is making me warm
One touch and I know that I'll melt in your arms
There's no way to stop this burning desire
'Cause there's nothing as hot as a slow burning fireYou look in my eyes just a little too long
Before I can look away but lately
I've caught you staring at me
With a new kind of look on your faceJust being around you is making me warm
One touch and I know that I'll melt in your arms
There's no way to stop this burning desire
'Cause there's nothing as hot as a slow burning fireJust being around you is making me warm
One touch and I know that I'll melt in your arms
There's no way to stop this burning desire
'Cause there's nothing as hot as a slow burning fire
