Moment I Lost

Steven Wilson

Here is the moment
And the coil has been unwoundHere is the moment
Nothing wears me downHere is the moment
There's no need to pretend
To think about the future
When this moment endsHere is the moment
Here is the moment
Here is the moment
Here is the moment
Lfe just flows right through me
Nothing really matters
The freedom is just to breath
Here is the moment
When day begins to fade
This will be the thing I treasure
From all the things I'm madeHere is the moment
Here is the moment
Here is the moment
