

Modern Seducer

So Does Your Mother

MODERN SEDUCER

Heâ€™s stunned
By the bass
(By the bass)

In his hand
Vodka â˜nâ€™ lemonade
(Lemonade)

He tries to seduce
He tries to get laid
(get laid)

Heâ€™s a naked dancer
In the space
(Naked dancer in the space)

Heâ€™s a naked dancer
In the rave
(Naked)

With his moves
He amuse
He seduce
The ladies

With his dance
And the sweat
His romance
Is completed

Naked on
Naked on
Naked on
The dancefloor

His tecniqe
Is unique
Fantastique

So Modern

He's hot
He makes you wet
(He makes you wet)

You covet
His glance
(His glance)

Give him
All you can
(All you can)
