

Deep Sweat

Meiko

You say
To me
That I
Could never be free
From all
The demons inside my head
But I
Refuse to believe you know
Me at all So I walk along this long and winding road alone
It's something I gotta do
Without you Sometimes I wake up at night
In a deep sweat, deep sweat
Thinking of what you said, you said
I've been thinking of what you said
Talk is cheap
But leave a message after the beep
And maybe I'll call you back to say
I never really loved you anyway
And how could you
Do the things you do to me
I treated you like a friend in need
I treated you like a homie Sometimes I wake up at night
In a deep sweat, deep sweat
Thinking of what you said, you said
I've been thinking of what you said Oh woah (Oh woah)
Oh, oh, woah (Oh woah)
Oh woah (Oh woah)
Woah (Oh woah)
When will you learn
Words you say can hurt
Bridges you cross can burn
A lover who leaves might not return But I asked you reluctantly
And you told me everything
And it keeps on haunting me
I can't get over it Sometimes I wake up at night
In a deep sweat, deep sweat
Thinking of what you said, you said
I've been thinking of what you said
Sometimes I wake up at night

In a deep sweat deep sweat
Thinking of what you said you said
I've been thinking of what you said Oh woah (Oh woah)
Oh, oh, woah (Oh woah)
Oh woah (Oh woah)
Woah (Oh woah) Oh woah
Oh, oh, woah
Oh woah-oh-oh
Woah-oh
