

# I Am Blessed

Mr. Vegas

Sometimes I stop  
Take a look at myself  
And realize just what I've done  
It's not that I'm better than  
It's just that I thought "I can."  
I played the odds and I won  
So I have no right to complain  
Or feel sorry for myself  
When so many more have less  
I look around  
And I realize  
I am so blessed  
Yes I am blessed  
I am so blessed  
Yes I am blessed  
It's hard to concieve  
People look up to me  
And somehow it makes them believe  
That as long as you dream  
No matter what life may bring  
With God you can do anything  
There may be times when the world  
  
seems so cold  
And times when I cannot rest  
(I don't complain)  
Cause I know inside that...  
I am so blessed  
(In the morning when I rise)  
Yes I am blessed  
I am so blessed  
I am blessed, Yes I'm blessed  
Of all of the places I've been  
And people that I've met  
A lifetime of memories I'll never forget  
I look back with no regrets 'cause...  
I am so blessed  
Yes I am blessed  
I am so blessed

Yes I am blessed

Blessed..

OOohhhhh!
