CKY

I caught my daughter giving head to my brother

I caught my daughter giving head to my brother
I caught my daughter giving head to my brother
I caught my daughter giving head to my brother What can be done with my promiscuous daughter?
What can be done with my promiscuous daughter?
What can be done with my promiscuous daughter?
I can't be down with my promiscuous daughter Not just the family name

Clean up my train of thought
What can be done with my... What can be done with my promiscuous daughter?
What can be done with my promiscuous daughter?
What can be done with my promiscuous daughter?
I can't be done with my...
