

Grateful Sinner

Chained

If only you would listen, if only you would try
For you He had to suffer, for you He had to die
I stand here as a witness of mercy from above
He gave me full redemption and filled me up with love Lord I give You my and reach my hands to the sky
Praise and glory I give You, I shout it 'til the day I die Give me just a minute to borrow your ears
I tell you 'bout a man who conquer all your fears
I tell you 'bout His sacrifice when He died upon that cross
And stood before the devil and showed him who's the boss Lord I give You my and reach my hands to the sky
Praise and glory I give You, I shout it 'til the day I die Lord I give You my and reach my hands to the sky
Praise and glory I give You, I shout it 'til the day I die Grateful Sinner
Grateful Sinner
