

# Henry Kissinger

## Radio Boy

Henry Kissinger, how I'm missing yer  
You're the doctor of my dreams  
With your crinkly hair and your glassy stare  
And your Machiavellian schemes All right so people say that you don't care  
But you've got nicer legs than Hitler  
And bigger tits than Cher Henry Kissinger, how I'm missing yer  
And wishing you were here
