

Doin' Wrong

Dave Hollister

I've been talked about, I've been put out
(Doin' wrong, doin' wrong)
I've been left alone, yeah
(Bein' wrong, livin' wrong, doin' wrong)I've done my time, almost lost my wife
(Doin' wrong, doin' wrong)
I've gotta change, listen
(Bein' wrong, livin' wrong, doin' wrong)Never jumped on you, never put you through
(Doin' wrong, doin' wrong)
So what you gonna do, check me
(Bein' wrong, livin' wrong, doin' wrong)Mama always told me I would be just like my father
Sneak just like him, creep just like him
Cheat just like him, be just like him
I hated that I put you through, what mama always said I'd do
But I swear I've changed, I'm not the same
So why you wanna put me through, ohI've been talked about, I've been put out
(Doin' wrong, doin' wrong)
I've been left alone, yeah, check it
(Bein' wrong, livin' wrong, doin' wrong)I may not be the perfect man but at least I keep it real
Never once denied or tried to hide the way I truly feel
You walk around actin' like your shit don't stink at all
Now your cover's blown, don't lie because I'll tell you what I saw
(Roomin' at the Trump with someone else)
See, I saw you 'cause I was roomin' there myself, oh ohI've been talked about, yeah, I've been put out
(Doin' wrong, doin' wrong)
I've been left alone
(Bein' wrong, livin' wrong, doin' wrong)See I've done my time, almost lost my wife, yeah
(Doin' wrong, doin' wrong)
I've gotta change, yeah, oh
(Bein' wrong, livin' wrong, doin' wrong)Roomin' at the Trump with someone else
(With my own two eyes, I saw you there, you know why)
Saw you 'cause I was roomin' there myself
(I wasn't supposed to be there, for some reason, I been, I been)Doin' wrong, doin' wrong
(Good God Almighty I've been, oh)
Doin' wrong, doin' wrong
(Everybody sing with me, oh, doin')
Doin' wrong, doin' wrong
(Good God Almighty I've been, you been doin' wrong too)
