## Wu-tang Clan

Him speaketh in tongues into the hearts of all flesh

Yeah stanyoi, whoi

Oh God, I beg for forgiveness, so help me Lord, yes I beg for forgiveness

Deep in my heart, please, I'm crying for forgiveness

Allah you Akbar, I fall to my knees for forgiveness

Branded by the steel iron, bullets flying

Ladies being hit through wickedness, I'm losing my grip

I thought we lived by the books, The Bible, Koran

We pick cotton, my back is still hot and dark and

They threw burners in our babies' faces

Pale hands that looked scary

Touched our bodies in the strangest places

Sweat from the white man's head

Fell on our daughters as she cried, giving white man head

Almighty, alrighty, niggaz is screwing

God won't you tell me why these ho niggaz is screwing?

I'm sorry Father, sacrifice me, leave me wife

Sacrifice me twice, so my kids can see paradise

So we heed our God King Sellasie I, Jah rastafari

Who is seated in Zion and reigneth in all, in the hearts of all flesh

Let my task oh Jah with them that strive with me

Fight against them, that fight against me

Take hold thy shield and rock and stand up for my health

Oh Jah, oh Jah, only you can comfort me

La la la, la la la la la, la la la

La la whoi stand out

Curse to the wicked snakes who try to snatch the truth away

Cursed be the ones who try to take our youth away

Peace to the black, the brown, the red, yellow and white seed

We don't discriminate man over color, creed

They tried to snatch up our beats, son and steal our culture

And German Catholics, whitewashing Roman sculptures

How dare you try to deny Allah's intelligence?

Kidnap the truth and destroying the black evidence

Glory be to the Father, glory be to the Son

Glory be to the holy one, the holder of creation whoi

As Jah was in the beginning is now and forever shall be

Jah world, Jah world without end whoi

So we heed our God King Sellassie I, Jahova God, Jah rastafari  
Who is seated in Zion and reigneth in the hearts of  
In the hearts of all flesh whoi
