Jah World

Wu-tang Clan

Him speaketh in tongues into the hearts of all flesh
Yeah stanyoi, whoi
Oh God, I beg for forgiveness, so help me Lord, yes I beg for forgiveness
Deep in my heart, please, I'm crying for forgiveness
Allah you Akbar, I fall to my knees for forgiveness
Branded by the steel iron, bullets flying
Ladies being hit through wickedness, I'm losing my grip
I thought we lived by the books, The Bible, Koran
We pick cotton, my back is still hot and dark and
They threw burners in our babies' faces
Pale hands that looked scary
Touched our bodies in the strangest places
Sweat from the white man's head
Fell on our daughters as she cried, giving white man head
Almighty, alrighty, niggaz is screwing
God won't you tell me why these ho niggaz is screwing?
I'm sorry Father, sacrifice me, leave me wife
Sacrifice me twice, so my kids can see paradise
So we heed our God King Sellasie I, Jah rastafari
Who is seated in Zion and reigneth in all, in the hearts of all flesh
Let my task oh Jah with them that strive with me

Fight against them, that fight against me
Take hold thy shield and rock and stand up for my health
Oh Jah, oh Jah, only you can comfort me
La la la, la la la la la, la la la
La la whoi stand out
Curse to the wicked snakes who try to snatch the truth away
Cursed be the ones who try to take our youth away
Peace to the black, the brown, the red, yellow and white seed
We don't discriminate man over color, creed
They tried to snatch up our beats, son and steal our culture
And German Catholics, whitewashing Roman sculptures
How dare you try to deny Allah's intelligence?
Kidnap the truth and destroying the black evidence
Glory be to the Father, glory be to the Son
Glory be to the holy one, the holder of creation whoi
As Jah was in the beginning is now and forever shall be
Jah world, Jah world without end whoi

So we heed our God King Sellassie I, Jahova God, Jah rastafari
Who is seated in Zion and reigneth in the hearts of
In the hearts of all flesh whoi
