The KKK Took My Baby Away (tributo a Ramones)

[Marilyn Manson](#)

The KKK took my baby away
They took her away, away from me
The KKK took my baby away
They took her away, away from meShe went away for the holidays
Said she's going to LA
She never got there
She never got there
She never got there, they sayShe went away for the holidays
Said she's going to LA
She never got there
She never got there
She never got there, they say
The KKK took my baby away
They took her away, away from me
The KKK took my baby away
They took her away, away from meI don't know where my baby can be
They took her from me, took her from me
I don't know where my baby can be
They took her from me, took her from meBring me up the president
Find out where my baby went
Bring me up the FBI
Find out if my baby's aliveYeah, yeah, yeah, yeah
Oh, oh
Oh, oh, oh
Oh, oh, oh, oh
She went away for the holidays
Said she's going to LA
She never got there
She never got there
She never got there, they sayShe went away for the holidays
Said she's going to LA
She never got there
She never got there
She never got there, they sayThe KKK took my baby away
They took her away, away from me
The KKK took my baby away
They took her away, away from me
