Never

Ringo Deathstarr

Give me you eyes, I'll sleep after we get
Give me your why's 'cause I, 'cause I'm weak yeah
Kiss me, oh, just kiss me
Time is chaning with the seasons
All I needed was a reason
Kiss me, oh, just kiss me
Here's a fun thing when I said it
Here's a heart just bring your head in
Time's up, oh, time's up
I need just a cool life with you
I gave your whole life that signal
Don't care, no, I don't care
Give me you eyes, I'll sleep after we get
Give me your why's 'cause I, 'cause I'm weak yeah
Kiss me, oh, just kiss me
Time is chaning with the seasons
All I needed was a reason
Kiss me, oh, just kiss me
Here's a fun thing when I said it
Here's a heart just bring your head in
Time's up, oh, time's up
I need just a cool life with you
I gave your whole life that signal
Don't care, no, I don't care
