

# Bells of Notre Dame

## Leeland

I know You're with me in the night  
I know You're with me in the day  
You're with me when I'm sitting down  
You're with me when I'm traveling I know You're with me in the night  
I know You're with me in the day  
You're with me when I'm sitting down  
You're with me when I'm traveling I know You're with me in the night  
I know You're with me in the day  
You're with me when I'm sitting down  
You're with me when I'm traveling  
I know You're with me in the night  
I know You're with me in the day  
You're with me when I'm sitting down  
You're with me when I'm traveling I know You're with me in the night  
I know You're with me in the day  
You're with me when I'm sitting down  
You're with me when I'm traveling  
I know You're with me in the night  
I know You're with me in the day  
You're with me when I'm sitting down  
You're with me when I'm traveling
