

Give It Up (Live On KCRW)

Amos Lee

I've been waiting a long time
I was just hoping I might find
Ah, the right kind of lover for me Well you know I've been lonesome
God knows we all been lonesome
Some people think being lonesome really means being free But, I would give it all up for you
Yes I would give it all up for you
Yes I would give it up
Settle down
Stop looking around
I finally found something true We live in a world full of confusion
A culture based in illusion
Ah, some people think it's amusing
But its really just fantasy I would give it up for you
Yes I would give t all up for you
Yes I would give it up
Settle down
Stop looking around
I finally found
Ah, yeah I would give it all
I would give it all up for you now baby
I would give it all
I would give it all
It would give it all up for you now baby
