Missing Piece Lyrics
By: David Choi
I feel like a boat without a sailor
I go where the wind blows
Just moving around like a lonesome stranger
I got no home
In search of a treasure
Some place I don't know
It feels like forever
I'm making my way
Through the hills and deserts
I thirst for hope
I don't know
What I'm looking for
But I'll know
When I find it
There is a missing beat
Inside of me
The rhythm of my heart

Hits unevenly
There's a missing piece
Inside of me
Trying to figure it out
But it amounts to nothing
I want to realize
But nothing I find
Ever feels like the real thing
Can you empathize?
I don't know
What I'm looking for
But I'll know
When I find it
Chorus
I'm lost inside
A cold bitter world
I can't understand the need
It's makes it so hard to breathe
Chorus
