

# Sexy Eyes (Da Da Da Da)

## Baby Bash

[Chorus]

Sexy Eyes, they're so lovely,  
Sexy Eyes Make me wanna love ya  
Sexy Eyes,  
Girl you're lookin' way cool tonight oh  
Da da da da da,  
Ya know I got the cognac,  
Da da da da da,  
And the phat bomb sack  
Da da da da da,  
Your sexy eyes got me hypnotized,  
Lady come and take a ride with me Shorty do you know the time  
All I wanna do is vibe  
Put you on the suga rise  
Smilin' wit your pearly whites  
Sexy eyes  
Sexy waist  
Sexy each and every day  
When I put this thang up on ya  
Sexy mama wanna marry me  
But hold up now, we just met  
Let me see how long you keep it wet  
Hold it steady, already,  
Baby girl we done did dat  
It's like a stair way to paradise  
When I look into your eyes,  
Mama very nice  
And we can do all type of thangs  
Rollin in them whips and I like to swang  
You know it's nothing to a trilla though  
Your sexy eyes are so spiritual [Chorus] The steelo so kamikaze  
Shrinin' like Liberachy  
Smellin' like Burberry  
Me Issey Miyake  
It's goin' down like gravity  
Yo baby daddy mad at me  
And I throw these things so handley  
Cop me an assault and battery  
She still wanna love me like a playboy bunny

Lookin' like warm hunny  
So classy and stunny  
Faithfully, she waits for me  
Like the real ones really do  
So gracefully she's made for me  
And you know that's on the cool  
Girl get your shine on like candle in the wind  
Gotta keep my mind strong  
When I'm hammerin' within  
And one look is all it took  
Incredible thighs  
And one look is all it took  
Incredible eyes[Chorus][Repeat: x2]  
Time don't wait for love  
And life don't wait for a break in the weather  
It's time for me and you to hook up  
Let's get this thing together[Chorus: x2]
