Impossible

Liberty X

I never knew this would be hard but now my heart is breaking down
I always thought I'd hear you call my name
Now I can't hear a sound, if there is a chance you know I will
Relight the fire that we killed
Do you know is there another way
There's still so much to say and I don't even know where to begin
Don't tell me it's impossible, you said we were invincible
The situation's critical but I believe we can survive, oh yeah
'Cause my heart cries, my soul dies every time we say goodbye
Don't tell me it's impossible to save this heart of mine, no no no
I never thought that we'd be strangers after all that we'd become
I never knew my world would come crashing down
The moment you were gone, is time running out for things to change
Oh, 'cause I can see light through all the rain, oh
Don't say it's over now, we'll make it work somehow
Without you I don't know where to begin
Don't tell me it's impossible, you said we were invincible
The situation's critical but I believe we can survive, oh yeah
'Cause my heart cries, my soul dies every time we say goodbye
Don't tell me it's impossible to save this heart of mine
Oh, we got lost along the way but when the night is over
We could live another day 'cause something's taking over
People change but love remains the same, oh
Don't tell me it's impossible, you said we were invincible
The situation's critical, I believe we can survive, oh yeah
'Cause my heart cries, my soul dies every time we say goodbye
Don't tell me it's impossible to save this heart of mine
Of mine, of mine oh, no
Don't tell me it's impossible to save this heart of mine
