

The Walls of Time

Peter Rowan

The wind is blowing 'cross the mountain
And down on the valley way below
It sweeps the grave of my darling
When I die that's where I want to goLord, send the angels for my darling
And take her to that home on high
I'll wait my time out here on earth love
And come to you when I dieOur names are carved upon a tombstone
I promised you before you died
Our love would bloom forever darling
When we rest side by sideLord, send the angels for my darling
And take him to that home on high
I'll wait my time out here on earth love
And come to you when I dieI hear a voice out in the darkness
It moans and whispers through the pines
I know it's my sweetheart a calling
I hear her through the walls of timeLord, send the angels for my darling
And take her to that home on high
I'll wait my time out here on earth love
And come to you when I dieLord, send the angels for my darling
And take her to that home on high
I'll wait my time out here on earth love
And come to you when I die
