

Papa Gene's Blues

Michael Nesmith

No heartaches felt no longer lonely
Nights of waiting finally won me
Happiness that's all rolled up in you And now with you as inspiration
I look toward a destination
Sunny bright that once before was blue I have no more than I did before
But now I've got all that I need
For I love you and I know you love me
So take my hand I'll start my journey
Free from all the helpless worry
That besets a man when he's alone For strength is mine when we're together
And with you I know I'll never
Have to pass the high road for the low I have no more than I did before
But now I've got all that I need
For I love you and I know you love me Play, magic fingers
Eee haa
Oh, pick up losers
I have no more than I did before
But now I've got all that I need
For I love you and I know you love me Yes, I love you and I know you love me
