

Hand to Mouth

Run Level Zero

I recognize the symptoms, but I don't know the cure
Your feelings are so useless, banging your head on the wall
Well I'll improve your station, if I get half a chance
No overnight sensation, matters to you right now
Yeah it's all too unreal, you know the way I feel
When I got time to kill, that's when I get my fill
 Livin' hand to mouth
 The money it don't come anymore
 Well it never came too much anyway,
 We spread it here and we spread it there
 Never worry about the next day
 Oh these times they come and go
 But I really don't give a damn
 See'est la vie and wish you well
 Heading for the promised land
Yeah it's all too unreal, you know the way I feel
When I got time to kill, that's when I get my fill
 Of livin' hand to mouth
I recognize the symptoms, but I don't know the cure
Your feelings are so useless, banging your head out on the wall
Yeah it's all too unreal, you know the way I feel
When I got time to kill, that's when I get my fill
 Yeah...
