Do You Know

Quietdrive

Chorus
Do you know
How I feel
When you change your mind?
Make me see
What they said
Would come true in time?
Too late now
I wont wait
Wish Id take it back
So far youre not the same anymoreHeres a tip, Ill make it easy
No more you or Ill go crazy
Stop you made it lazy
No it doesnt phase me
I dont want to be your running mate
I dont want to be with you anywayChorusIt doesnt register as clearly
As you thought Id make it easy
Pushing time and pressing feelings
I dont know what youve been hearing.
I dont want to be your running mate
I dont want to be with you anywayChorusDo you know
How I feel
When you put your hands
On down to the small
Of my back
Do you know (Do you know)
Do you know how it feels
When you put your heart
In the scar in the floor
Do you know (Do you know)
Do you know (Do you know)
Do you know
Do you know
Do you knowChorus
