

Ain't No Right (Live 1990)

Jane's Addiction

I am skin and bones, I am pointy nose
But it motherfuckin' makes me try
Makes me try, and that ain't no wrong
I'll tell you why, there ain't no right There ain't no wrong now, ain't no right
There ain't no wrong now, ain't no right
There's only pleasure and pain Motherfuckin' bad wind came, blew down my home
Now the green grass grows
Bad wind came, blew down my home
Goddamn goodness knows Where green grass grows there can't be wrong
And goodness knows, there ain't no right There ain't no wrong now, ain't no right
There ain't no wrong now, ain't no right
There's only pleasure and pain Bumped my head, I'm a battering ram
Goddamn took the pain
Cut myself, I said "So what?"
Motherfuckin' took the pain I said "So what?" I can't be wrong
I thought so but there ain't no right There ain't no wrong now, ain't no right
There ain't no wrong now, ain't no right
There's only pleasure and pain, [Incomprehensible]
