

# A Reason to Be In My Skin

## Brad

All of my life I've been looking for a reason to be in my skin.

Looking for one, to break the rock -

Yeh, it's not a race it's easy to win.

Afford me with a motor car, a cycle straight against the wind.

Stars so bright and blowing like.

The crowd of screams, it's a sin.

Forget the way you used up, your other dreams -

You gain again to open up your heart. Your soul is beautiful,

Your shines bright,

Your touch is electric.

wooh, woh, wohYour mind is sharp,

Your face is hard,

I'm lost in yourself!

yeah, yeeh, yehThe long ride lets you renew again, 'till the ball is out of the park -

Carry me on to the holy ground.

The time seen into the dawn.

Cold is the air, I can't see again -

It's a color drop block of despair -

The faces I didn't see again, always wrap up straight out of there. Your soul is beautiful,

Your shines bright,

Your touch is electric.

wooh, woh, wohYour mind is sharp,

Your face is hard,

I'm lost in yourself!

wooh, woh, wohAnd hey, I'm love this time, I'm looking fine

I am not scared at all!

And hey, it's always for me - the way that seem,

Cold enough with dawn - to lie your whole day. Your soul is beautiful,

Your shines bright,

Your touch is electric.

wooh, wohYour mind is sharp,

Your face is hard,

I'm lost in yourself!

yeah, yeeh, yeh (X5)
