

Around The World

Bob Sinclar

Gilbert Forte and Bob Sinclair

Do it how we grew, do it how we flow

Do it how we move, do it how we go

I won't chill no more, it's time that we show

The world where we are!

[Chorus:] I wanna take you all around the world

I wanna take you all around the world

I wanna take you all around the world

I wanna take you all around the world,

World, world, world, world!

I imagine life a passion

Living above [?] we find them but

Universe can't hold us

Pushing hard, hard, till we all are out of focus.

Looking at me like 'are you joking?'

We are stars, we're above the ocean

Coast away, feel the vibe, day's on, nice alive.

We are the reasons we survive

If everyone is even, we like the odds

Get the picture for you collage

Individual lifestyle, do it right now

It's a family affair, cause it took all of us to get here

All over the globe

We wish that you could be here, uh

[Chorus:] I wanna take you all around the world

I wanna take you all around the world

I wanna take you all around the world

I wanna take you all around the world,

World, world, world, world!

Spot lights, we're making a movie night

Red carpet, high life

[?] no bar fights

Low [?] cause we're that nights

Hands in the air, we clap twice!

Music, we match like

Hot girls, and hot nights

You know you move the crowd

Living only how we wanna know

Flights where we wanna go
Lunch on the sky, but on the ground for dinner
No excitement, no longer [?]
Priceless, who pays the life?
Ice in the life, we chill for life
It's the reason [?] blissfully emotion
[?] across the globe, you won [?]
Do it how we grew, do it how we flow
Do it how we move, do it how we go
I won't chill no more, it's time that we show
The world where we are!
[Chorus:] I wanna take you all around the world
I wanna take you all around the world
I wanna take you all around the world
I wanna take you all around the world,
World, world, world, world!
World, world, world, world!
World, world, world, world!
