

Sound Check (Gravity)

Gorillaz

Gravity on me never let me down gently
Gravity with me never let me go no, no gravity[Incomprehensible]Oh dont pull me down
Oh dont pull me down on me
Oh dont pull me down
Oh dont pull me down on youOh dont pull me down
Oh dont pull me down on me
Oh dont pull me down
Oh dont pull me down on you[Incomprehensible]Gravity on me never let me down gently
Gravity with me never let me go no, no gravityOh dont pull me down
Oh dont pull me down on me
Oh dont pull me down
Oh dont pull me down on youOh dont pull me down
Oh dont pull me down on me
Oh dont pull me down
Oh dont pull me down on you[Incomprehensible]
