To Be Loved

Stacy Barthe

Someone to care, someone to share
Lonely hours and moments of despair
To be loved, to be loved
Oh, what a feeling to be loved
Oh, someone to kiss, someone to miss
When you're away to hear from each day
To be loved, to be loved
Oh, what a feeling to be loved
Some wish to be a king or a queen
Some wish for fortune and fame
But to be truly, truly, truly loved
Is more than all of these things, oh
Someone to kiss, someone to miss
When you're away to hear from each day
To be loved, to be loved

Oh, what a feeling to be loved, ooh
To be loved, to be loved, ooh
Some wish to be a king or a queen
And some wish for fortune and fame
But to be truly, truly, truly loved
Is more than all of these things, hey
Someone to kiss, someone to miss
When you're away to hear from each day
To be loved, to be loved
Oh, what a feeling to be loved
To be loved, to be loved
Oh, what a feeling, what a feeling, ooh to be loved
To be loved
