

Girl Next Door

Blue Cheer

Sittin' by the TV, sittin', drinkin' my wine
My friends all say that I'm wasting time
I'm gonna wait right here just to get the right meat
I been waiting for hours, I can wait all week I'm not talkin' 'bout love
Not talkin' 'bout war
Get what I need from the girl next door Been watchin' cartoons on the TV screen
What I'm looking for is long and lean
A ticket to ride, I want my feet in the air
I'm gonna tell my baby that I just don't care I'm not talkin' 'bout love
Not talkin' 'bout war
Get what I need from the girl next door
Yeah, get what I need, oh yeah, oh Been runnin' down the scene with my gasoline
I'm feeling nasty and mighty mean
Said outta my way 'cause I'm runnin' hot
I got to show my baby just what I got I'm not talkin' 'bout love
Not talkin' 'bout war
Take what I need from the girl next door I'm not talkin' 'bout love
Not talkin' 'bout war
Take what I need from the girl next door I'm not talkin' 'bout love
Not talkin' 'bout war
Get what I need from the girl next door
Yeah, I get what I need from that mojo, yeah, oh
