## Local H

You high-fiving motherfucker, you high-fiving motherfucker  
You high-fiving motherfucker, you high-fiving motherfucker You're just a walking billboard for all the latest  
brands  
You've got no taste in music and you really love our band  
You're haircut is atrocious, it's been the same since '83  
Your glory days are over and so's your stonewashed jeans You crass fat-ass, you stupid steroid fuck  
I'll bet you even named your grand prize monster truck  
You want me, you can't pay, you want me, you can't pay  
You want me, you [Incomprehensible] You high-fiving motherfucker, you high-fiving motherfucker  
You high-fiving motherfucker, you high-fiving motherfucker You're just a walking billboard for all the latest  
brands  
You've got no taste in music and you really love our band  
You're haircut is atrocious, it's been the same since '83  
Your glory days are over and so's your stonewashed jeans You crass fat-ass, you stupid steroid fuck
