In Every Sunflower (Rattlebag)

Bell X1

My book has more bookmarks than pages
Cause it take me ages
Or is everybody reading
Is everybody readingStanding on a black Ulster hill
I never fear the chill
Cause everybody's holding
Everybody's holdingI wouldn't swap the pain
For never knowing you
I wouldn't swap the pain
It was worth it for the viewMy book has more bookmarks than pages
Cause it take me ages
Or is everybody reading
Is everybody readingOf a sparkling Medusa
With snakes of cerise and blue
And though we're all pillars of salt now
It was worth is for the viewI wouldn't swap the pain
For never knowing you
I wouldn't swap the pain
Cause it was worth it for the viewWe're still watching
Your rainbow through the shower
And we still see you
In every sunflower
We're still watching
I make days from the hours
And I still see you
In every sunflower
Every screaming sunflowerAnd how they scream of you
