I Remember

Tristam

Oh whoa ooo whoa ohh
Oh whoa ooo whoa ohh (x4)I remember
You would say
It's all okay
It'll be alright
Every night
I could hear it
I rememberI could hear it
In the wind
That melody
That they would play
Every single day
To remind us
It was overAnd it went
Oh whoa ooo whoa ohh
Oh whoa ooo whoa ohh (x2)I remember
You would say
It's all okay
It'll be alright
Every night
I could hear it
I rememberI could hear it
In the wind
That melody
That they would play
Every single day
To remind us
It was overAnd it went
Oh whoa ooo whoa ohh
Oh whoa ooo whoa ohh (x2)I remember
