Ooh

Natalie

Always thinkin' of you
(Always thinkin' of you uh, ooh, ooh)
I just wanna touch you
(I just wanna touch you uh, ooh, ooh)
Anything you want to
(Anything you want to uh, ooh, ooh)
I just wanna love you
(I just wanna love you)
You make me ooh, ooh, ooh
Baby ooh, ooh, ooh
I'm feeling something that I've never felt before
I adore you I want you boy
I wanna tell you things I've been afraid to say
I'll make the move now if that's okay
If I could only get one minute of your time
Look in your eyes tell you why
Should let me love you
(You should let me love you)
So deep the way that you had me
Always thinkin' of you
(Always thinkin' of you uh, ooh, ooh)
I just wanna touch you
(I just wanna touch you uh, ooh, ooh)
Anything you want to
(Anything you want to uh, ooh, ooh)
I just wanna love you
(I just wanna love you)
You make me ooh, ooh, ooh
Baby ooh, ooh, ooh
I love the way that you bring out the best of me
Just by the way you, the way you speak
So softly in my ear driving me insane
Just by the way you, you say my name
Its' unreal, what I feel is it okay, if I still
Show you how I want you
(Show you how I want you)
I'm so amazed with everything that you do
Boy you make me ooh
Always thinkin' of you

(Always thinkin' of you uh, ooh, ooh)
I just wanna touch you
(I just wanna touch you uh, ooh, ooh)
Anything you want to
(Anything you want to uh, ooh, ooh)
I just wanna love you
(I just wanna love you)
You make me ooh, ooh, ooh
Baby ooh, ooh, ooh
Ooh-ooh, baby
I just wanna love you, yeah, yeah, yeah
Ooh-ooh, ooh-ooh
I just gotta touch you, feeling you
Always thinkin' of you
(Always thinkin' of you uh, ooh, ooh)
I just wanna touch you
(I just wanna touch you uh, ooh, ooh)
Anything you want to
(Anything you want to uh, ooh, ooh)
I just wanna love you
(I just wanna love you)
You make me ooh, ooh, ooh
Baby ooh, ooh, ooh
