

# Quit You

## Anderson East

I can't quit you  
Lord knows I've tried to  
And I can't forget you  
But I'm dying inside to  
And my heart can't say goodbye  
Like the blue can't eat the sky  
Honey, I can't quit you

I, I knew that I was good as done  
There was something in your eye  
that told me I should turn and run

But I can't quit you  
Lord knows I tried to  
I can't forget you  
But I'm dying inside to  
Cause it might sound insane  
Can't get off your train  
Honey, I can't quit you

I can't eat, I can't sleep  
I walk around, honey, dead on my feet  
So if you're wondering, here's my prediction  
There ain't no remedy for my affliction

I can't quit you  
Lord knows I've tried to  
I can't forget you  
But I'm dying inside to  
But you're my favorite high  
Til the day I die  
I can't quit you  
No, I can't quit you  
I can't quit you  
I can't quit you
