

# Little Tiny Miracle

Mark Friedman & Janet Vogt

Little Tiny Miracle, Little Tiny Child,  
Cradled close by Mary as, All of Heaven smiles  
Sent to earth on wings of faith, like the gentle dove,  
Little Tiny Miracle, Miracle of Love

This shall be a sign,  
Ye shall find a babe,  
Wrapped in swaddling clothes  
In a manger he lay

Little Tiny Miracle, Little Tiny Son,  
Born this day to light our way, Hope for everyone,  
All the world in darkness lay, Til this blessed night,  
Little Tiny Miracle, Miracle of Light,

Joy to the world, Be glad and sing,  
For unto you a child is born  
Christ the King

Little Tiny Miracle, Little Tiny Child,  
Cradled close by Mary as, All of Heaven smiles  
Sent to earth on wings of faith, like the gentle dove,  
Little Tiny Miracle, Miracle of Love  
Little Tiny Miracle Miracle of Love
