everything is alright

Bartek Miarka

Tell me that you're alright
Yeah, everything is alright
Oh, please tell me that you're alright
Yeah, everything is alrightGive me a reason
To end this discussion
To break with tradition
To fold and divide'Cause I hate the ocean, theme parks and airplanes
Talking with strangers, waiting in line
I'm through with these pills that make me sit still
Are you feeling fine?
(Yes, I feel just fine)Tell me that you're alright
Yeah, everything is alright
Oh, please tell me that you're alright
Yeah, everything is alrightI'm sick of the things, I do when I'm nervous
Like cleaning the oven or checking my tires
Or counting the number of tiles on the ceiling
Head for the hills, the kitchen's on fireI used to rely on self-medication
I guess I still do that from time to time
But I'm getting better at fighting the future
Someday you'll be fine
(Yes, I'll be just fine)Tell me that you're alright
Yeah, everything is alright
Oh, please tell me that you're alright
Yeah, everything is alrightGive me a reason
(I don't believe a word)
To end this discussion
(Of anything I heard)To break with tradition
(They tell me that it's not so hard)
To fold and divide
(It's not so hard)So let's not get carried
(Away with everything)
Away with the process
(From here to in between)
Of elimination
(The long goodbyes)
I don't want to waste your timeTell me that you're alright
Yeah, everything is alright
Oh, please tell me that you're alright
Yeah, everything is alrightTell me that you're alright

(Hi, everything's great)
Yeah, everything is alright
(Hey, everything's fine)
Oh, please tell me that you're alright
(Hey, everything's great)
Yeah, everything is alrightHey, everything's fine
Hey, everything's fine
Hey, everything's fine
Hey, everything's fine
