Somebody to Love

Rusko

Everybody's looking for that somebody to love.
Don't want to be lonely, just looking for someone to love. (x2)
Somebody to love
Somebody to love, love, love. (x2)
Everybody's looking for that somebody to love.
Don't want to be lonely, just looking for someone to love. (x2)
Somebody to love
Somebody to love, love, love. (x2)
