You're Gonna Get Your Fingers Burned

The Alan Parsons Project

Watch me closely, catch my eye

If you do I beg you to remind me

Who is stronger, who is weak of those who seek

And don't know where to find meAsk me, "Why?" and I don't know

Ask me, "Why?" and I say

"Now you see me, now you don't"

I thought by now you'd learn

You're gonna get your fingers burned

You know you gonna get burned

You get your fingers burned

You know you gonna get burnedWatch me closely, understand

That what you see is only an illusion

If I'm wrong and you are right

Then I will light your darkness with confusionAsk me, "Why?", I don't know

You ask me, "Why?" and I say

"Chances are, you're playin' with fire"

I thought by now you'd learn

You're gonna get your fingers burned

You're gonna get your fingers burned

You know you're gonna get burnedWatch me closely, be aware

That all I do is only to surprise you

And every move is sleight of hand

And every word is planned to mystify youAsk me, "Why?", I don't know

Ask me, "Why?" and I say

"Don't get fooled a second time"

I thought by now you'd learn

You're gonna get your fingers burnedYou know you're gonna get

You know you're gonna get

You know you're gonna get burned
