Yin Yang

Dappy

I say you look good then you kiss your teeth
You look me up and down as you flick your weave
Rude girl body like the magazine
Bum looking ripe
Like it dropped from the apple tree
I was told I should never hit a lady
But Ive never been a doormat
Thats the way mum raised me
Katie, Tracy they knew They couldnt keep me
So they tried to keep my baby
See them two are crazy
Alesha was feisty
So I found me the best of both worlds, thats a lighty
This mutha excites me
The bitch turned Jet Li when she fights me
My yin and yang wifey
My certified rider, thats why I provide her
She says I only love her properly when Im inside her
Damn right
Im a king my sex is on fire
So hush baby girl, be quietYoure cool
Youre nice, youre nice
Living in a fantasy life
Kaching!
Swipe
Ask her, whos shoes would you prefer
Oh boy real life, real talk
Calm down I can hear them Jimmy Choos when you walk
Youre black, youre white, best of both types my yin and yang wife
Im looking for miss ride or die
Id have a baby and Ill never leave one by my side
Someone whos loving me for life
I need an attitude girl who can handle my ting rightSo you say your the one
You the one, you the one
But if my life was in danger you steal, would you run
Are you down if you are
We can ride through the avalanche
She blew my mind out this world like an avatar
Look I got an ego bigger than your average man

Why should I make the effort
If she dont understand
Yea I made the cheddar but she wants parmesan
Talk trash
Cut the crap I aint a garbage man
Cause anything I say find a way to turn the tables
I aint saying Im a sinner or any type of angel
Im just saying youll regret it youre ever unfaithful
Its just you and me G so I beg you just be grateful
Cause anywhere I go you know you got an invitation
I wanna see you there at my final destination
And you dont need a job cause I could be your occupation
But you f**k around Ill sack your ass without a resignationYoure nice, youre nice
Living in a fantasy life
Kaching!
Swipe
Ask her, whos shoes would you prefer
Oh boy real life, real talk
Calm down I can hear them Jimmy Choos when you walk
Youre black, youre white, best of both types my yin and yang wife
Im looking for miss ride or die
Id have a baby and Ill never leave one by my side
Someone whos loving me for life
I need an attitude girl who can handle my ting rightHow do I slow this down
When Im already in so deep
And the position that youre ins just right
Ooh oh oh oh oh
Show me you can practise what you preach
Hurry up back it up back it up and youll be goneYoure nice, youre nice
Living in a fantasy life
Kaching!
Swipe
Ask her, whos shoes would you prefer
Oh boy real life, real talk
Calm down I can hear them Jimmy Choos when you walk
Youre black, youre white, best of both types my yin and yang wife
Im looking for miss ride or die
Id have a baby and Ill never leave one by my side
Someone whos loving me for life
I need an attitude girl who can handle my ting right
