

# Yin Yang

## Dappy

I say you look good then you kiss your teeth  
You look me up and down as you flick your weave  
Rude girl body like the magazine  
Bum looking ripe  
Like it dropped from the apple tree  
I was told I should never hit a lady  
But Ive never been a doormat  
Thats the way mum raised me  
Katie, Tracy they knew They couldnt keep me  
So they tried to keep my baby  
See them two are crazy  
Alesha was feisty  
So I found me the best of both worlds, thats a lighty  
This mutha excites me  
The bitch turned Jet Li when she fights me  
My yin and yang wifey  
My certified rider, thats why I provide her  
She says I only love her properly when Im inside her  
Damn right  
Im a king my sex is on fire  
So hush baby girl, be quiet Youre cool  
Youre nice, youre nice  
Living in a fantasy life  
Kaching!  
Swipe  
Ask her, whos shoes would you prefer  
Oh boy real life, real talk  
Calm down I can hear them Jimmy Choos when you walk  
Youre black, youre white, best of both types my yin and yang wife  
Im looking for miss ride or die  
Id have a baby and Ill never leave one by my side  
Someone whos loving me for life  
I need an attitude girl who can handle my ting right So you say your the one  
You the one, you the one  
But if my life was in danger you steal, would you run  
Are you down if you are  
We can ride through the avalanche  
She blew my mind out this world like an avatar  
Look I got an ego bigger than your average man

Why should I make the effort  
If she dont understand  
Yea I made the cheddar but she wants parmesan  
Talk trash  
Cut the crap I aint a garbage man  
Cause anything I say find a way to turn the tables  
I aint saying Im a sinner or any type of angel  
Im just saying youll regret it youre ever unfaithful  
Its just you and me G so I beg you just be grateful  
Cause anywhere I go you know you got an invitation  
I wanna see you there at my final destination  
And you dont need a job cause I could be your occupation  
But you f\*\*k around Ill sack your ass without a resignation Youre nice, youre nice  
Living in a fantasy life  
Kaching!  
Swipe  
Ask her, whos shoes would you prefer  
Oh boy real life, real talk  
Calm down I can hear them Jimmy Choos when you walk  
Youre black, youre white, best of both types my yin and yang wife  
Im looking for miss ride or die  
Id have a baby and Ill never leave one by my side  
Someone whos loving me for life  
I need an attitude girl who can handle my ting right How do I slow this down  
When Im already in so deep  
And the position that youre ins just right  
Ooh oh oh oh oh  
Show me you can practise what you preach  
Hurry up back it up back it up and youll be gone Youre nice, youre nice  
Living in a fantasy life  
Kaching!  
Swipe  
Ask her, whos shoes would you prefer  
Oh boy real life, real talk  
Calm down I can hear them Jimmy Choos when you walk  
Youre black, youre white, best of both types my yin and yang wife  
Im looking for miss ride or die  
Id have a baby and Ill never leave one by my side  
Someone whos loving me for life  
I need an attitude girl who can handle my ting right
