Saviour

Colin James

Saviour, saviour

Saviour, saviourGotta get to the river, gotta make it to the other side Gotta get to the river, gotta make it to the other side Take me to the river, help me get to the other side Get me to the river, gonna make it to the other sideFuck my saviourSaviour, saviour Saviour, saviourWhen I'm breaking and I'm shaking and I'm looking for the riverside Shaking on this faking, help me get to the other side When I'm breaking and I'm shaking, trying to get to the other side Take me to the river, come on, take me to the other sideFuckin' saviour Fuckin' saviourHelp meSaviour, saviour Saviour, saviourI gotta get to the river, gotta make it to the other side Nobody knows where the riverside will run Somebody saw the saviour down by the river Somebody tell me when the saviour comesWhere, where, where Where is that saviour? Where, where, bewareWhere is that saviour? Where is that saviour? Saviour, saviour Saviour, saviourFuckin', fuckin', saviour
