Run Devil Run

Crowder

Run devil, run devil
Run devil, run

I got somethin' make the devil gonna run
He been dancin' till the break of dawn
Devil gon' try to take a shot at me
He got none, but baby I got three

He tryna make a fool outta me
Y'all takin' out my sanity
He ain't nothin' but a silver tongue
I got somethin' make the devil gonna run

I got somethin' make the devil gonna run
I got somethin' make the devil be gone
Run devil, run devil, run devil run
You bet your bottom dollar he's gonna be gone
I got somethin' make the devil gonna run

Run devil, run devil
Run devil run

I got somethin' make the devil go away
Look out devil we got revival

I got somethin' make the devil gonna run
I got somethin' make the devil be gone
Run devil, run devil, run devil run
You bet your bottom dollar he's gonna be gone
I got somethin' make the devil gonna run

I got the King of kings and the Lords of hosts
I got angel armies and a Holy Ghost
I got spirits here that are tied by fire
I got a valley of bones that came alive
I got a cross, a hill, and an empty grave
I got a trumpet sound and one sweet name
Shake the gate of hell,
I got my Jesus and the devil gotta run

I got somethin' make the devil gonna run
I got somethin' make the devil be gone
Run devil, run devil, run devil, run
You bet your bottom dollar he's gonna be gone
I got somethin' make the devil gonna run

Run devil, run devil
Run devil run
