

Hang out with You

Mary Lambert

I don't wanna go to work, I don't wanna go to sleep
I don't wanna do it, I don't wanna do it
I don't wanna pay my rent, I don't wanna write a song
I don't wanna do it, I don't wanna do it
It could be that I'm lazy, or unmotivated
I've got plenty to do, I just wanna hang out with you
Just wanna hang out with you
But I wanna hang out with you
Just wanna hang out with you I don't wanna call my friends, I don't wanna hit the bar
I don't wanna do it, I don't wanna do it
I don't wanna fix my hair, I don't wanna play a show
I don't wanna do it, I don't wanna do it
Everybody's been wondering where have I been
When they're cutting it loose
It could be that I'm lazy, or unmotivated
I've got plenty to do, I just wanna hang out with you
Just wanna hang out with you
But I wanna hang out with you
Just wanna hang out with you
Just wanna hang out with you I know that the days are mine,
And when I wake up it's not always just this magic
But all I see is a heart I want
But when I'm with you it's like something to do with magic
I know that the days are mine,
And when I wake up it's not always just this magic
But all I see is a heart I want
But when I'm with you it's like something to do with magic But I wanna hang out with you
Just wanna hang out with you
But I wanna hang out with you
Just wanna hang out with you
Just wanna hang out with you
Just wanna hang out with you
But I wanna hang out with you
Just wanna hang out with you
But I wanna hang out with you
Just wanna hang out with you
But I wanna hang out with you
Just wanna hang out with you
Just wanna hang out with you
