

Zookeepers Boy (live)

Mew

Are you my lady, are you? If I don't make it back from the city

Then it is only because I am drawn away

For you see

Evidently there's a dark storm come

And the chain on my swing is squeaking like a mouse So are you my lady, are you?

The rain, the rain, the rain is falling down

The cars remain You're tall just like a giraffe

You have to climb to find its head

But if there's a glitch

You're an ostrich

You've got your head in the sand In a submersible I can hardly breathe

As it takes me inside, so the light sings

Answer me truthfully

Do the clouds kiss you

With meringue-coloured hair

I know they cannot So are you my lady, are you?

The rain, the rain, the rain is falling down

The cars remain Santa Ana winds bring seasickness

Zookeeper hear me out

How dare you go?

Cold in the rain Tall just like a giraffe

You have to climb to find its head

But if there's a glitch

You're an ostrich

You've got your head in the sand Are you my lady, are you?

The rain, the rain, the rain is falling down

The cars remain

I could not be seen with you

Working half the time and looking fine

In cars re-made
