I Had A Time

Embrace

Takes this soul of mine
To see you, you burst my heart, I'll find
There's a silver lining you don't see
End it soon, clean and pureAnd I won't hurt no more
Because I had the time of my life for sureIt is true a mountain like you
Ought to see which way they are going
What you've never dreamed you can't lose
So stay so clean and pureEnjoy, don't hurt no more
'Cause I won't see your smiling face
But I won't see your smiling fade
And know I'd the time of my life that daySurely we could carry on
When you're left behind with no good reason
It's a shame but the feeling's never gone
Don't you know that I, I had, had a time?Surely we could carry on
When you're left behind with no good reason
It's a shame but the feeling's never gone
Don't you know that I, I had, had a time?
Don't you know that I, I had, had a time?
