

# If You're Gone

## Matchbox Twenty

I think I've already lost you  
I think you're already gone  
I think I'm finally scared now  
You think I'm weak, I think you're wrong  
I think you're already leaving  
Feels like your hand is on the door  
I thought this place was an empire  
Now I'm relaxed, I can't be sure And I think you're so mean  
I think we should try  
I think I could need this in my life and  
I think I'm scared  
I think too much  
I know it's wrong, it's a problem I'm dealing If you're gone, maybe it's time to come home  
There's an awful lot of breathing room  
But I can hardly move  
If you're gone, baby you need to come home, come home  
There's a little bit of something me  
In everything in you I bet you're hard to get over  
I bet the room just won't shine  
I bet my hands I can stay here  
And I bet you need - more than you mind And I think you're so mean  
I think we should try  
I think I could need this in my life  
I think I'm just scared that I know too much  
I can't relate and that's a problem I'm feeling If you're gone, maybe it's time to come home  
There's an awful lot of breathing room  
But I can hardly move  
If you're gone, baby you need to come home, come home  
There's a little bit of something me  
In everything in you I think you're so mean  
I think we should try  
I think I could need this in my life and  
I think I'm scared  
Do I talk too much?  
I know it's wrong, it's a problem I'm dealing If you're gone, maybe it's time to come home  
There's an awful lot of breathing room  
But I can hardly move  
If you're gone  
hell baby you need to come home, come home

There's a little bit of something me  
In everything in you (you)  
(Something in me)  
(Everything in you)  
(Something in me)  
...In you
