Anywhere

Sigma

I'll go anywhere with you
Anywhere with you
Anywhere with you
I'll ride, I'll ride away with youWe were following the Cambridge signs
Trynna get the music right
In my shitty old car with the scratched up sides
Open windows all the way
'Coz I ain't got no AC, babe
Let the radio sing what we would say'Coz Sundays last forever
When I got you, baby
If you're driving with me
I'll go anywhere with you
Anywhere with you
Anywhere with you
I'll ride, I'll ride away with you
Anywhere with you
Anywhere with you
Anywhere with you
I'll ride, I'll ride away with you, you, you, you...
I'll ride, I'll ride away with you
Anywhere with you
Anywhere with you
Anywhere with you
I'll ride, I'll ride away with you
Anywhere with you
Anywhere with you
Anywhere with you
I'll ride, I'll ride away with you
I'll ride, I'll ride away with you
