

# Lava Lamp

## Baldwin Brothers

In the half light of the evening  
I can almost see you glow  
Can tell by the way you're moving  
Time may be right to let you know You got many colored halo  
The body of Venus, a babe rainbow  
And if I come on any closer  
I might fall into your silhouette But the shape of things  
To come is constantly changing  
So let it, so let it, so let it flow La la la la lava lamp  
La la la la lava lamp Indigo, violet and blue  
Can we meet where the edges blur?  
'Cause I am coming at you  
Like a bug eye heading for the burn Truth is, I can't stay away  
No, I wanna let you light my volcano  
And maybe it's just in my imagination  
But you never know 'Cause the shape of things  
To come is constantly changing  
So let it, so let it, so let it flow La la la la lava lamp  
I'd love to turn you on  
La la la la lava lamp  
I'd love to turn you on La la la la lava lamp  
I'd love to turn you on  
La la la la lava lamp  
I'd love to turn you on So let it, so let it  
So let it, so let it La la la la lava lamp  
I'd love to turn you on  
La la la la lava lamp  
I'd love to turn you on La la la la lava lamp  
I'd love to turn you on  
La la la la lava lamp  
I'd love to turn you on
