Drive slow, drive fast  
Whatever the destination is I'ma leave all the numbas on the dash.  
Sherif's tryin comin see me but it aint my fault.  
Better say a prayer cause I aint trying to wait on the change like my name was john mayer.  
I swear.  
I came here to give em a show.It's 11:34. I'm on a roll.  
Its almost noon and I aint got nowhere to go, ah yeah yeah, and this is the road of my life.  
So I'ma have a little fun and ride till I see the sun, yeah whoa, yeahGot the time, got a place.  
If you want more of these Heineken's you go and give me my space, my space before I kick the dirt and head to  
the trunk to get you a little taste.  
Yeah superbad.  
I'ma get ya a little something that your sister and your mama never had.  
Coulda been your dad.  
I gotta go but ill be right backIt's 11:34.  
I'm on a roll.  
Its almost noon and I ain't got nowhere to go, ah yeah yeah, and this is the road of my life.  
So I'ma have a little fun and ride till I see the sun, yeah whoa, yeahOh dad I'm traveling this is where I belong,

I'm on a roll.  
Its almost noon and I ain't got nowhere to go, ah yeah yeah, and this is the road of my life.  
So I'ma have a little fun and ride till I see the sun, yeah whoa, yeahIt's 11:34.  
I'm on a roll.  
Its almost noon and I ain't got nowhere to go, ah yeah yeah, and this is the road of my life.  
So I'ma have a little fun and ride till I see the sun, yeah whoa, yeahAll of my life
