

Daddy Should Have Stayed in High School

Cheap Trick

I've been waiting every night after school
For five long years
I'll keep waiting for you five nights a week
Cuz i'm no good
Ooo- rockin' and a rollin'
Reelin' 'til the juke box breaks
Ooo- reelin' and a rockin'
Rollin' 'til the juke box breaks down
I'm thirty but i feel like sixteen
I might even be your daddy
I'm dirty but my body is clean
I might even be you daddy
Ooo- rockin' and a rollin'
Reelin' 'til the juke box breaks
Ooo- reelin' and a rockin'
Rollin' 'til the juke box breaks
I like you -you like me? yes?
Sorry that i had to gag you
You look better completely undressed
Sorry but i had to have you
I like you -you like me? yes?
Sorry that i had to gag you
You look better completely undressed
Sorry but i had to have you
I'm thirty but i feel like sixteen
I might even be your daddy
I'm thinking more than a kiss
Whip me, spank me, grab me
